ANNOTATED:

* Contains literary critiques, detailed biographies, and detailed historical context

OVERVIEW:

Often compared to Jane Austen's work for the clarity and grace of its prose and its intense focus on family relationships, Henry James' novel *Washington Square* is a deceptively simple tragicomedy that has become one of the most popular works in the Jamesian canon. "Everybody likes *Washington Square*, even the denigrators of Henry James," wrote critic Donald Hall, and most other commentators have echoed the sentiment.

This Special Critical Edition of *Washington Square* (Cambridge World Classics) is the only volume which contains the complete unabridged novel along with three bonus critical and biographical essays which examine, in depth, Henry James' life and literary legacy.

SPECIAL KINDLE ENABLED FEATURES:

This edition contains special Kindle enabled features, including interactive table of contents, text-to-speech capabilities which enable audiobook features, as well as words that can be looked up on the Kindle supplied built in dictionary.

The volume also employs PerfectLink (TM) technology which allows Amazon Kindle readers to enjoy not only a fully interactive table of contents, but also the ability to click through to each section in the novel.
