Beckett Before Godot John Pilling

In *Beckett before Godot*, John Pilling reevaluates the formative years of Beckett between the publication of his first work in 1929 and the composition late in 1946 of *The Calmative*, his last work before "the trilogy." Using a wealth of unpublished manuscripts and correspondence from around the world, Pilling offers for the first time a coherent critical narrative of Beckett's development during this long period of apprenticeship. *Beckett before Godot* modifies and enhances our understanding of one of this century's most influential authors.
