You love your black hair, right? But it's not always easy to take care of them the way they deserve, right? WRONG!

This book will show you cheap and inexpensive tricks to take care of your natural hair. It doesn't have to be hard, it doesn't have to be expensive, it doesn't have to take you 10 hours every day, alright?

These tips will cover the basics about what you need to know and all the important topics are also covered.

Your hair is a part of your identity. Unique in appearance and structure, African-American hair is especially fragile and prone to injury and damage.

Even though much has been written on the subject, it's not always easy to know what to do with your hair especially if you are on a budget. You may have other concerns than taking care of your hair even though you love seeing your hair glow and shine when you are in front of the mirror.

This book is here to help you do that. It doesn't have to take a lot of time, it doesn't have to take a lot of money either. It's all about knowing yourself and your hair well.

More than half of African-American women will cite thinning hair or hair loss as their top hair concern. Fortunately, there is a lot African-Americans can do to help minimize damage and keep their hair beautiful.

This short book is packed with useful information about african-american hair. You may have heard those tips before or not but the most important thing is to apply what you will read. There is no fluff and no product placement in this book.

After downloading this book, you will learn...

- Chapter 2 - Specialized Hair Care Tips
- Chapter 3 - Washing African American Hair
- Chapter 4 - Hairstyles for African American Hair
- Chapter 5 - Dealing with Hair Loss
- Chapter 6 - Embracing your Natural Hair
- Much, much more!
