## **How To Draw Outlines (Teach Yourself To Draw Book 2)** Kate Berry

This book starts on the ground floor of drawing lessons and it is aimed at all artists who struggle to commence a drawing.

What suits one person doesn't necessarily suit another and that's why there are 9 simple methods that you can choose from, to help you achieve a great outline.

There is only one focus and that is how to reduce a subject into an outline. If you are looking for ways to get a solid foundation in drawing, then you have just stumbled onto the perfect book!

See how each method is demonstrated with step-by-step examples and there are more than 50 basic illustrations to help you become familiar with this vital technique. This process sets the stage for all of your future drawings and gives you the confidence to tackle anything.

Join Author Kate Berry as she shares the easy tactics she used to teach herself to draw successfully.
