## **Rise of the Walker King (Walking Between Worlds) J. K. Norry**

Step once again into the lives of Walker Paul and his trusted Guide Kris as they delve deeper into the meaning of walking between worlds and battling people's demons.

Walking Between Worlds; Book II: Rise of the Walker King continues the exciting saga begun in Book I. Now that the king has risen to power, he must look within and without for answers to save both himself and the Walker's world.

With friendly devils and murderous angels, dragons that belch flames and demons that run like a river, this philosophical fantasy will delight the adventurous spirit that walks between worlds in all of us.??

### ***If it were up to you to save the world...***

...could you? Would you? These questions are tossed from one uncertain set of hands to the next like searing hot potatoes in the *Walking Between Worlds* trilogy. As the world is introduced to a noble army of immortals that use their powers to battle the demons of humanity, the newest among them must rise to power and raise the questions no one has ever asked: Where do all the demons go? What is their purpose? What is ours?

Yesterday Paul Stone was a human, an ordinary man defined by his circle of friends and his one true love. Today he has lost it all, and must rebuild his life on a foundation of shifting sands. Tomorrow he may have to lose everything once more to save us all. With the ability to heal any wound but his broken heart, Paul must muster all his resources to prevent reality from collapsing in on itself before he does.

Kris Reed was an accomplished best friend in life; in death, it has become his job. The long cold afterlife is a comfortable sanctuary for his sensitive soul, and everything he ever wanted is finally within reach. Can he befriend a three hundred year veteran of the Walker army, or the surly new Walker who must do everything differently? Can he survive the trials of love as gracefully as he bore the trials of death? After all of the evil that everyone has seen, the questions become even more poignant: If it were up to you to save the world, could you? Would you?
