The Casualties: A Novel Nick Holdstock

In Nick Holdstock's *The Casualties*, a man recounts the final weeks of his neighborhood before the apocalyptic event that only a few of the eccentric residents will survive.

Samuel Clark likes secrets. He wants to know the hidden stories of the bizarre characters on the little streets of Edinburgh, Scotland. He wants to know about a nymphomaniac, a man who lives under a bridge, a girl with a cracked face. He wants to uncover their histories because he has secrets of his own. He believes, as people do, that he is able to change. He believes, as the whole world does, that there is plenty of time to solve his problems. But Samuel Clark and the rest of the world are wrong. Change and tragedy are going to scream into his and everyone's lives. It will be a great transformation, a radical change; and it just might be worth the cost.

Written by a rising literary star whose work has been published in notoriously selective publications such as *n+1* and *The Southern Review*, *The Casualties* is an ambitious debut novel that explores how we see ourselves, our past and our possible futures. It asks the biggest question: How can we be saved?
