The Sustainability Handbook: The Complete Management Guide To Achieving Social, Economic and Environmental Responsibility (Environmental Law Institute) William Blackburn

The pursuit of sustainability can be complex, challenging, and ultimately beneficial when practiced by corporate, academic, government and non-profit organizations. The Sustainability Handbook provides a blueprint on how organizations of all sizes can reach or exceed economic, social and environmental excellence. The handbook offers a wide variety of practical approaches and tools, including a model sustainability policy for organizations, summaries and tips on selecting sustainability codes, an extensive collection of sample metrics, and much more.
