Was a run ever scored that went unnoticed by everyone on both teams—and the official scorer, too? Can a runner from first base be tagged out stealing second when the batter is walked? Fans of the Great American Pastime want to know! This second edition of Baseball Brain Teasers features 60 challenging rules situations that occurred in real-life Major League games, with each incident broken into three parts. First comes the problem, with all the basic details; then a description of the actual game where the play happened; and finally an explanation of the correct call.
