## Hide Me Among the Graves Tim Powers

From *Last Call* to *On Stranger Tides* to *Declare* to *Three Days to Never*, any book by the inimitable Tim Powers is a wonder. With *Hide Me Among the Graves*, it's possible that the uniquely ingenious Powers has surpassed even himself. A breathtaking historical thriller in which art and the supernatural collide, *Hide Me Among the Graves* transports readers back to mid-19th century London and features a reformed ex-prostitute, a veterinarian, and the vampire ghost of Lord Byron's onetime physician, uncle to poet Christina Rossetti and her brother, the painter Dante Gabriel Rossetti. A novel that, like all his others, is virtually impossible to pidgeonhole—or to resist—*Hide Me Among the Graves* is the taut, gripping, and utterly remarkable literary thrill ride that Tim Powers fans have been eagerly waiting for.
