## **How To Play Bass: Anyone Can Go From Knowing Nothing About Bass to Becoming A Bass Master by Following These Simple Steps** Mike Barnes

Did you know you can be playing the bass like a pro in less time than you ever imagined.. and with less effort than you ever thought possible?

You can be the one holding the core of any song on stage or simply enjoying some cool, low dulcet sounds of your bass from the comfort of your own bedroom.

You can give songs the fuller lower tones they need to sound complete or you can help control the rhythm on stage and the tempo of any song.

The bass player is the true anchorman of sound and his role is vital to any musical experience.

You can impress your friends with your talents or simply play just for the joy of it. All you need is the right instruction and “bass master” from Mike Barnes will give it to you.

Mike has been playing bass for many years and he loves to share his musical knowledge with people.

“Bass master” will put you on the road to an amazing level of proficiency on the bass in less time than it takes many people when learning on a one-on-one basis.

The truth is that anything can be learned when you break it down to simple bit size chunks. Anything can be absorbed easily with the right teaching strategy and that is exactly what “bass master” does.

Mike takes you on a journey from discovering the core basics of this instrument to learning the techniques that will give you the edge over most bass players out there.

“Bass master” is laid out in an easy to use format that anyone can follow to become proficient in no time at all.

Here is just some of what you will discover inside:

- Getting to know your bass guitar from the ground up. The more familiar you are with how it works, the better sounds you will get from your instrument.
- Learn to read tabs the easy way so you can pick up tunes quickly with no musical training, even if you don't read music.
- Fretting and positioning techniques for playing like a pro.
- First and second minor scales that you can use as lead parts or to form the rhythm side of any new track.
- Bass cords and circle of fifths made easy. This will help you further expand your repertoire on the bass.

- More techniques and playing styles to increase the amount of sounds you can make.
- The importance of time, patience and dedication when it comes to mastering this instrument.

If you are just starting out, “Bass master” will be indispensable to your journey.

It will give you the basics you need to really enjoy the bass and will give you the confidence and the knowledge you need to progress quickly.

Your investment will be a fraction of the cost of lessons in a one to one or group setting. So scroll up and delve into the fascinating world of bass players. Your musical self will never be the same.
