Introducing Philosophy: A Text with Integrated Readings 9th (ninth) edition

Robert C. Solomon

Introducing Philosophy: A Text with Integrated Readings 9th (ninth) edition Robert C. Solomon
Introducing Philosophy: A Text with Integrated Readings, Ninth Edition, is an exciting and accessible introduction to core philosophical problems and the many ways in which they are, and have been, answered. Insisting both that philosophy is very much alive today and that it is also deeply rooted in the past, acclaimed teacher and author Robert C. Solomon combines substantial selections from significant works in the history of philosophy with excerpts from current philosophy, clarifying the readings and providing context with his own detailed commentary and explanation. Spanning 2,500 years, the selections range from the oldest known fragments to cutting-edge essays in feminism, multiculturalism, and cognitive science. They include work by a multitude of prominent thinkers, from Plato, Confucius, René Descartes, and Immanuel Kant to Emma Goldman, Sigmund Freud, Albert Einstein, and Malcolm X.
