Sexualized Media Messages and Our Children: Teaching Kids to Be Smart Critics and Consumers (Childhood of America) Jennifer W. Shewmaker

This provocative book takes a look at children's consumption of sexualized media messages while providing parents, teachers, and professionals with strategies for abating their influence.

- Provides a quick overview of previous works in child development, communication, and education
- Discusses four mediating variables influencing children's values: culture of celebrity, family factors, gender, and community systems
- Includes an "In Their Voices" section featuring specific responses from children, adolescents, parents, and professionals
- Covers television, movies, music, and other media
- Demonstrates the impact of both positive and negative media messages
