The Secondhand Wardrobe is an introductory guide to chasing down the best used clothing deals. Read it and learn where you are likely to get the best bargains and why used clothing is the most environmentally friendly way to shop. Get pointers on how to organize your hunt for maximum efficiency and also get a fresh perspective on why many people feel uncomfortable buying and wearing used clothing. Learn to care for your garments, including how to ignore most "dry clean only" labels. In fact, wash just a few dry clean only garments at home by following the instructions in The Secondhand Wardrobe and you will recoup the cover price of this book.
