\*Please note that this book is not suitable for children under of 18 due to graphic nature\* Most people think I am this sweet, innocent head cheer leader of my high school. I put on this facade everyday with the real me itching to get out. You see I belong to an exclusive team that has one specialty, and that specialty is killing. It's our life's mission. We were bred from day one to fulfill our destinies, and boy do I love it." Trinity didn't know what she was getting herself into when she took her current job to kill a snitch. She has always loved her job of killing until she was faced with her match. Little does Trinity know that someone has been sent in to stop her. Zander Matthews has always obeyed his orders like a good little employee. When he is sent in to protect the one Trinity is after, their lives are turned upside down. Will he be able to stop her or will Trinity fulfill her destiny?
