Bestseller! The eagerly awaited successor to the influential Anti-Bias Curriculum! Become a skilled anti-bias teacher with this volume! Provides practical guidance to confronting and eliminating barriers of prejudice, misinformation, and bias about specific aspects of personal and social identity; most importantly, find tips for helping staff and children respect each other, themselves, and all people. Over the last two decades, educators across the nation and around the world have gained a wealth of knowledge and experience in anti-bias work. The result is a richer and more nuanced articulation of what is important in anti-bias education. Individual chapters focus on culture and language, racial identity, family structures, gender identity, economic class, different abilities, holidays, and more.
