Gooseberry Bluff Community College of Magic David J. Schwartz

On an Earth that saw the weaponization of demons instead of uranium during World War II, a lone agent battles supernatural forces—and enemies within her own government—to unravel a conspiracy that threatens our very existence. This vivid alternate history sets the stage for a modern-day fantasy adventure that’s equal parts Harry Potter and *The X-Files*.

Across the world, a steady flow of illegally trafficked demons is fueling terrorist attacks known as “Heartstoppers,” which leave bodies lifeless but not technically dead. Authorities have identified Gooseberry Bluff Community College of Magic, a quaint school on the border of Minnesota and Wisconsin, as a demon trafficking pipeline. Now it’s up to Joy Wilkins, a young agent from the Federal Bureau of Magical Affairs, to go undercover as a professor and find the source. But when her mentor turns up murdered and the clues point to a secret society known as the Thirteenth Rib, Joy finds herself in the middle of an ancient war that leaves our world hanging in the balance.

This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book. Learn more about Kindle Serials
