## Praise for this book...

*"I love my dog and I want him to live a LONG and HEALTHY life. This was a great resource for someone like me. Thanks!"*

*"Feeding my dog well is something that I consider a priority. Thank you for breaking down the different options with commercial dog foods as well as including recipes that I can use when I'm making my own dog foods. Both were extremely helpful."*

*"I got this out of curiosity and now it's my go-to source for information on feeding my dogs!"*

**In this edition of the Kindle Quickread series, pet expert, Jessica Giada, is going show us the simple science of feeding our dogs well and how doing so results in a healthier and longer life for our pets.**

## Here Is A Preview Of What You'll Learn...

- How does paying attention to what I feed my dog help to extend his life?
- What is a dog's natural diet and how can I use that knowledge in my dog's meal plan?
- How do my dog's food needs change based on age and activity?
- Does my dog's breed make any difference in how I feed him?
- What foods should I **NEVER** feed my dog?
- What commercial dog foods are safe and healthy?
- What dog foods can I make myself?
- What signs should I look for in my dog's appearance (and waste) that can help me determine if I need to make a change in his diet?
- And much, much more!
