## The Expert's Guide to Driving a Man Wild (A Bluebonnet Novel) Jessica Clare Being out of control...

The product of a rigid upbringing, Brenna has grown into a sexy free spirit who does things *her* way. No possessions, no debt, no man, and no rules to tie her down. And if she has to work, what better way than as assistant in a wilderness expedition team? So many opportunities to go wild.

**...can be risky when you're falling in love.**

One person who doesn't "get" Brenna is her boss, Grant. He prefers order and emotions kept in check, which means Brenna loves to push his boundaries. He'd be impossible to work for if he wasn't so infuriatingly hot. But when his overbearing, matchmaking mother arrives in town, Brenna volunteers to be Grant's pretend girlfriend. After all, it's the perfect opportunity to drive Grant crazy at every turn.

Brenna's just a little surprised when Grant agrees to her wild, impulsive schemes. And she's more than a little surprised when their games take them to the bedroom...
