Twisters: Three Thrillers Steve Rollins

Three bestselling novels by Steve Rollins together in one omnibus, including:

KIDNAPPED

When Mary Gordon's five-year-old daughter, Cassidy, goes missing from her back yard, an intensive search by local cops fails. And when the FBI takes over the investigation, rival agents are pitted against each other in a race to rescue a little girl from a kidnapper.

But who is the kidnapper? And where is she being held?

As Special Agent Zack Donovan delves into Mary Gordon's dark personal life and uncovers clues backed by forensic evidence, he conflicts with Agent Eric Calder, a power-hungry investigator whose cavalier methods aren't always by the book. But neither are Zack's. Eric tries to harness all the resources of the FBI—Zack prefers to work alone using skills honed by his years in military intel. Both agents want to find Cassidy before it's too late, but it's dangerous to confront a kidnapper and difficult to extricate a child alive.

Zack knows this all too well, but when a mysterious man shows up with more information, the race is on to find Cassidy...and to stop a mad man.

THE FRAME GAME

Debonaire, Casanova, Romeo, Don Juan, Lothario...are all words that Jupe Madison and his clients would use to describe his persona. Sleuth, investigator, murderer...not so much. But while out on a first date with a new client, Jupe suddenly finds himself at the epicenter of a real life cat and mouse chase surrounding the murder of a young, unidentified woman.

His good friend Mark, an ex-cop turned private investigator, discovers a dead body in the front seat of his car and comes to Jupe for help. Someone is trying to frame Mark and he doesn't know why or who. By bringing Jupe into his mess, Mark has unwittingly made his friend an accessory after the fact. Or, at least that's what the police will think if they catch up with them before they can solve the murder.

When the private eye calls in a favor with a beautiful forensics expert, they put her in jeopardy, too. But as the pieces of the puzzle begin to fall into place, Mark and Jupe quickly come to realise that the killer is more closely tied to them than they could have ever imagined. Alex helps them discover that the victim is a former client of Jupe's and the motive behind the killing suddenly hits a little too close to home. Together, this trio of unlikely crime fighters must solve the murder of a beautiful blonde before they either end up in prison...or dead.

If they are to stop the madman from killing again, the three will have to resort to some rather unorthodox investigative tactics. But if they can get to the answers fast enough, they just might save the lives of the killer's next targets.

G-MAN

Someone is murdering his sex-starved clients. But it's not him...

When River Ryans, a male escort, gets a visit from the FBI about two dead women—both of whom he slept with—he doesn't lose his cool. He portrays himself as a suave ladies' man who has casual sex for free with married strangers because, after all, it's against the law to have sex for money.

It's a lot to swallow that two of his clients are dead and the circumstantial evidence points to him. However, the FBI doesn't have anything but his phone number in both victims' cell phones, so they let him go. For now. And River doesn't plan to miss his Mardi Gras vacation in New Orleans. But neither will the killer...

In New Orleans, River realizes two things: He's unexpectedly falling for a sexy woman who is...not a client. And someone is following him. Someone very dangerous.

Things heat up even more in New Orleans after an attempt on River's life. But who is the serial killer who's trying to frame him? And why has he now become a moving target?
