Huna: Ancient Hawaiian Secrets for Modern Living Serge Kahili King

The ancient wisdom of Hawai'i has been guarded for centuries—handed down through line of kinship to form the tradition of Huna. Dating back to the time before the first missionary presence arrived in the islands, the tradition of Huna is more than just a philosophy of living—it is intertwined and deeply connected with every aspect of Hawaiian life.

Blending ancient Hawaiian wisdom with modern practicality, Serge Kahili King imparts the philosophy behind the beliefs, history, and foundation of Huna. More important, King shows readers how to use Huna philosophy to attain both material and spiritual goals. To those who practice Huna, there is a deep understanding about the true nature of life—and the real meaning of personal power, intention, and belief. Through exploring the seven core principles around which the practice revolves, King passes onto readers a timeless and powerful wisdom.
