Wanderlust Danielle Steel

Wanderlust is the story of Audrey Driscoll. Orphaned young, Audrey has grown up caring for her eccentric millionaire grandfather and her demanding younger sister, Annabelle, who assume she will always be there for them. Sheltered yet restless, responsible beyond her years yet hungering for experience, Audrey is hopelessly bound until she herself makes the daring decision to leave. As the 1930s unfold, alone, camera in hand, she will shock friends and outrage family as she plunges headlong into the wider world.

Crossing the Atlantic aboard the luxurious *Queen Mary*, Audrey meets James and Violet Hawthorne, who will draw her into a sophisticated circle of artists and expatriates. And it is they who will introduce her to Charles Parker-Scott, in who Audrey will come to recognize a twin soul, a man propelled by relentless curiosity and driven by conflicting needs for intimacy and independence. Together they will spend an exquisite summer at Cap d'Antibes, then board the Orient Express on an adventure that will carry them to a remote outpost in China. But at the farthest reaches of this journey Audrey must choose again. Japan has attacked China. Charles knows he must return to Europe at once. But Audrey becomes involved with a besieged orphanage and decides to remain in China without Charles, caring for the abandoned children until help arrives.

In time Audrey will return to America with a daughter of her own. While she must come home to San Francisco to confront a world irrevocably changed by time, she finds she cannot stay. From prewar Germany to London during the Blitz, from a wrenching reunion with Charles to a war zone in North Africa, again and again she must choose between the dictates of her conscience and the yearnings of her heart. For Audrey Driscoll and the men and women whose lives touch hers, wanderlust is the inescapable element. Born at a time when women were expected to stay close to home and fulfill traditional roles, Audrey is compelled to follow the thread of events that will destroy the complacency of the past and shape the future. From Europe to China, from San Francisco to North Africa, she is irresistibly drawn into a man's world of conflict, discovery, and danger.

In a vivid novel of breathtaking scope, Danielle Steel has once again surpassed herself in creating an unforgettable tale of men and women caught in the tides of personal drama and historic event. **Wanderlust** is Danielle Steel's finest journey.

From reader reviews:

Johnny Cervantes:

Often the book Wanderlust will bring you to the new experience of reading a book. The author style to describe the idea is very unique. When you try to find new book to learn, this book very ideal to you. The book Wanderlust is much recommended to you to see. You can also get the e-book through the official web site, so you can quickly to read the book.

Diana Elliott:

Playing with family in the park, coming to see the water world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try issue that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Wanderlust, you could enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its identified as reading friends.

Ann McLemore:

Are you kind of active person, only have 10 as well as 15 minute in your day time to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short time to read it because this time you only find e-book that need more time to be learn. Wanderlust can be your answer mainly because it can be read by a person who have those short time problems.

Carlton Little:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information coming from a book. Book is prepared or printed or highlighted from each source this filled update of news. With this modern era like at this point, many ways to get information are available for you. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just in search of the Wanderlust when you necessary it?
