## **No Longer a Stranger** Joan Johnston

Joan Johnston sweeps readers back to the untamed American West in a tale of powerful emotions and breathtaking action.

1865: The Civil War was over, but new dangers lay in wait across the open frontier. Disguised as a boy in buckskins, pretty Rebecca Hunter wasn't afraid of any enemy who might cross her path in the Rocky Mountains. She vowed never to belong to any man...until she met city-bred Christopher Kincaid, the stranger she rescued from a fierce band of Sioux. All too quickly she learned how powerful an attraction can be between a man and a woman.

No Indian ambush could scar Kincaid as deeply as the tragic loss and broken heart he suffered in the war. Now, being nursed back to health by Reb in an isolated mountain cabin, he found himself coming alive with a powerful desire for her. But how could he know that his mission for the government would jeopardize his chances of winning Reb's heart, bring down the wrath of a renegade Sioux chief, and test the lengths he'd be willing to go to convince this passionate woman to stay beside him for all time?
