The Metamorphosis

Franz Kafka

The Metamorphosis Franz Kafka

Franz Kafka's *Metamorphosis* - arguably the greatest, most famous and most unnerving short work of literary fiction ever written - is a hundred years old in 2015. This centenary edition offers the first complete English translation of Kafka's text (by A. L. Lloyd from 1937) plus a richly detailed new introduction to the story by novelist Richard T. Kelly, describing its genesis and the life of its creator.

In *The Metamorphosis*' unforgettable opening sentence we meet travelling salesman Gregor Samsa - on a rare overnight stay in the apartment he shares with his family, paid for by his ceaseless labour - who awakes one morning 'from a troubled dream' to find himself 'changed in his bed to some kind of monstrous vermin'.

'There is nothing which *The Metamorphosis* could be surpassed by - one of the few great, perfect poetic works of this century.' Elias Canetti

'My greatest masterpieces of twentieth-century prose are, in this order, Joyce's *Ulysses*, Kafka's [*Metamorphosis*], Bely's *Petersburg* and the first half of Proust's fairy tale *In Search of Lost Time*.' Vladimir Nabokov
