Thousand Acres Jane Smiley

A successful Iowa farmer decides to divide his farm between his three daughters. When the youngest objects, she is cut out of his will. This sets off a chain of events that brings dark truths to light and explodes long-suppressed emotions. An ambitious reimagining of Shakespeare's **King Lear** cast upon a typical American community in the late twentieth century, **A Thousand Acres** takes on themes of truth, justice, love, and pride, and reveals the beautiful yet treacherous topography of humanity.
