Witness for the Defense (Kali O'Brien series Book 4) Jonnie Jacobs

With her unique blend of courtroom drama and feverish suspense, critically acclaimed author Jonnie Jacobs has won a legion of fans for her Kali O'Brien thrillers. Now the edgy San Francisco attorney is back to handle a simple adoption – and winds up defending her client for murder . . .

Straightforward and short term: that's precisely the kind of case Kali O'Brien needs at the moment. Yet the Harper adoption makes her uneasy from the start. Maybe it's because psychologist Steven Cross – a man whose path hasn't crossed hers since the tragedy that shattered his life and their forbidden relationship years ago – unexpectedly referred the couple to her. Or could it be that Ted and Terri Harper's previous brush with parenthood ended in heartache when the birth mother changed her mind?

This time around, the former star quarterback and his lovely blonde wife aren't taking any chances. They've even moved pregnant Melissa Burke into their lavish Pacific Heights home. As Kali watches her determined clients shower the lonesome teenager with love and attention, she can't help wondering just how desperate they are to claim the unborn child. When Melissa delivers a healthy baby girl and promptly signs the final adoption papers, Kali breathes a sigh of relief . . . until Bram Weaver surfaces.

The controversial, chauvinistic radio talk show host announces he's the baby's father – a claim Melissa can't dispute. With a sinking heart, Kali prepares to defend the Harpers in a bitter custody battle that's certain to end in the birth father's favor – until the case takes a shocking turn when somebody murders Weaver. Despite Terri Harper's staunch denial, the police have compelling evidence linking her to the crime, leaving Kali to wonder how far an emotion-fraught new mother will go to protect her child.

Once again, Jonnie Jacobs delivers an explosive, fast-paced thriller infused with authenticity and well-drawn characters. Witness for the Defense is a razor-sharp ride through the ethical dilemmas ripped from today's headlines.
