## **Archetype Cards** Caroline Myss

Archetypes are ancient, universal patterns of behavior that are embedded in what Carl Jung called the “collective unconscious.” **Caroline Myss** has created a unique set of 80 Archetype Cards, each individually designed to provide the basic Light and Shadow Attributes of a different Archetype.

The deck also contains six blank cards on which you can create your own Archetypes. The deck comes with an instruction booklet explaining how to use the cards to help determine which Archetypes are most active in your psyche, and how they can lead you to achieve greater insights into your life. The deck is suitable to be used by itself, in conjunction with Caroline’s book *Sacred Contracts*, or with any of her workshops and seminars.
