## Madeleine Vionnet

Famous for the "bias cut," Madeleine Vionnet's sophisticated approach to couture remains a pervasive influence today. Eschewing artificial and restrictive padding and stiffening, she liberated the female form with designs that integrated movement and comfort into women's fashion. She also championed unusual fabrics that were luxurious and sensual yet simple and modern—chiffon, silk, crêpe de chine, gabardine, and satin. Her most revolutionary creations—the handkerchief dress, cowl neck, and halter top—cling to and seamlessly move with the wearer. Vionnet's principles of elegance, movement, architectural form, and timeless style continue to inform contemporary fashion. This lavishly illustrated book showcases Vionnet's daringly original designs worn by 80 internationally famous models photographed especially for this book alongside original patterns and archival images by such icons as Horst and Steichen.

#### **Tracy Rojas:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Madeleine Vionnet can make you feel more interested to read.
