**This is a STANDALONE SHORT. This is NOT a full-length book. This short ends in a happily ever after with NO cliffhanger!**

Annabelle is a curvy witch with no control over her magic. Her friends have all found love recently and think that a mate is just what Annabelle needs to tame her unpredictable powers. Blind dates aren't really Annabelle's thing, but she decides to go along with it to get them off her back.

Adam sees the pretty witch the moment he steps into the cafe and doesn't waste a moment saving her from the unwanted advances of a stranger. Though she's ready to give up on the night, Adam convinces her to give him a chance.

Instant chemistry doesn't even begin to describe the connection she feels with this man, but Annabelle has been burned badly by men having expectations of her just for being a witch. She doesn't want anyone to think they're entitled to have her.

Adam is the perfect gentleman until his date is endangered by a Panther that can't take no for an answer. The brutal fight leaves Annabelle shaken up and needing the comfort that only a big cuddly bear can provide.

**This scorching hot short story is filled with fun-seeking heroines and the rugged Alpha shifters that can't get enough of their curves. Be prepared -- I don't leave out any of the dirty little details ;)**
