Ryunoski "Ru" Nakimura knows all about the trappings of fame. Expelled from a boy band for coming out as gay, he still wants to continue his career in music. Too bad his ex finds nothing better to do than exploit their relationship in the press, so Ru leaves California behind to lie low in Minnesota for a while.

Adam Corbin attends a Minnesota high school and wants to coast through as a typical student. He's friends with an openly gay student, Bas Axelrod, but while Adam plays football, he also stays away from much socializing. Blending in and not outing himself has been easy because he's never really been seriously interested in any of the guys he's encountered.

When Adam meets Ru in a library, Adam begins to think he's found that special young man who might make it worthwhile to just be himself. And for Ru, Adam looks like someone he might trade his fame for, if they could be together. Ru and Adam will both come to realize that courage and love must go hand in hand if they are to have a future.
