## **One Cat** Petrie Serrano

Friendship doesn't end at the Rainbow Bridge.

Adopting One Cat brings laughter and color to the life of a lonely alien who sees with her heart, but everything changes when a devastating sickness closes in.

One Cat will make you giggle, break your heart and rebuild it bigger and stronger than ever. Its sixty deceptively simple illustrations tell a complex, wordless tale that is experienced rather than read. Created to teach a toddler about the loss of a loved one, One Cat's uplifting message touches anyone of any age who has wondered if love is possible after grief.

From reviews for One Cat:

"...I recommend it without hesitation for its charm and inventiveness and emotional honesty."

"This supercute comic will make you smile and tear up, even without words...."

"Wonderful book for kids of all ages!"
