Shadow Lady: Sudden Death Masakazu Katsura

The fate of the world depends on Shadow Lady finding and sealing up the dreaded Demon Stones, but first she must vanquish the evildoers corrupted by their demonic power. But Aimi Komori has very little left of the magic eye shadow that transforms her into Shadow Lady, and she must transform for perhaps the final time to face the hideous Zera, Arch-Demon of Destruction. If Shadow Lady can't reseal the Demon Stones, Zera will transform into the Demon of Final Destruction, and mankind and demonkind will both buy the farm! Of course, the citizens of Gray City think that Shadow Lady is actually Zera's master, so they're after Shadow Lady's head, too! Collecting issues #19-24 of the series, plus the Shadow Lady Special!

From reader reviews:

George Thomas:

Book is actually written, printed, or outlined for everything. You can know everything you want by a book. Book has a different type. To be sure that book is important matter to bring us around the world. Alongside that you can your reading proficiency was fluently. A book Shadow Lady: Sudden Death will make you to possibly be smarter. You can feel more confidence if you can know about almost everything. But some of you think this open or reading the book make you bored. It is far from make you fun. Why they can be thought like that? Have you trying to find best book or suited book with you?

James Newman:

As people who live in often the modest era should be up-date about what going on or facts even knowledge to make these keep up with the era which can be always change and make progress. Some of you maybe will probably update themselves by looking at books. It is a good choice for you personally but the problems coming to you actually is you don't know what kind you should start with. This Shadow Lady: Sudden Death is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Margaret Honig:

This book untitled Shadow Lady: Sudden Death to be one of several books that best seller in this year, that is because when you read this book you can get a lot of benefit on it. You will easily to buy that book in the book store or you can order it by using online. The publisher with this book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Touch screen phone. So there is no reason for you to past this publication from your list.

Susan Woods:

Is it a person who having spare time and then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Shadow Lady: Sudden Death can be the answer, oh how comes? A book you know. You are and so out of date, spending your time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?
