The Beer's Folded and the Laundry's Cold: Mostly-True Adventures In Housewifery Paige Kellerman In “The Beer’s Folded and the Laundry’s Cold: Mostly-True Adventures in Housewifery,” Paige Kellerman follows up her hilarious debut--“At Least My Belly Hides My Cankles”—with the natural next step—taking on budgeting, babies, and trying to keep the day drinking down to a minimum while staying at home. At the core, it’s a story of a woman who worked in an office and didn’t, instead working on trying to make money stretch like a two dollar pair of panty hose, upping her fashion game to include occasionally wearing pants, and using dull childproof scissors to cut out coupons and wads of gum from her kid’s hair. This hilarious follow-up is not a “how-to” on being the perfect parent, but rather a tale of one woman running the house like a boss—that is, when she’s not scraping failed Pinterest-inspired experiments out of the Crock-Pot, filling the bird feeder and waiting for rogue squirrels to stop by and steal all the food, or inhaling the smell of a laundry sheet like a Snuggle-scented sedative. In other words, she’s got this “housewifery” business down—and continuing to crack readers up.
