BOOK DESCRIPTION: After a tragic loss three years ago, Grayson Tyler left his life in New York City behind and started over in the rolling hills of the California coast. He's convinced himself that all he'll ever need again is the blue sky, a thousand acres of pasture, and the crashing waves of the ocean. Until one day, Lori Sullivan barges into his life and promptly blows his emotionless and solitary world to shreds, driving him crazy as only a woman nicknamed "Naughty" can. But will Lori be able to convince him that it's safe to love her...and that forever isn't actually out of reach?
