*Offered here for the first time in collection form, USA Today bestselling author Maisey Yates' Copper Ridge complete series—plus two bonus novellas!*

## **Part Time Cowboy**

Sadie Miller isn't expecting any welcome-home parades on her return to Copper Ridge. Least of all from part-time rancher, full-time lawman Eli Garrett. The straight-laced, impossibly hot deputy sheriff glares at her like she's the same teenage hoodlum who fled town ten years ago. But running from her demons has brought Sadie full circle, ready to make a commitment at last. Not to a man, but to a B and B. On Garrett land. Okay, so her plan has a tiny flaw...

Eli works too hard to let a blonde ball of trouble mess up his town. But keeping an eye on Sadie makes it tough to keep his hands off her. And if she's so wrong for him, why does being with her feel so right?

## **Brokedown Cowboy**

Since losing his wife Connor Garrett has concentrated exclusively on his family's ranch. Until his friend Felicity Foster needs a place to stay and Connor invites her to move in temporarily. That's what friends do—and Liss is his rock. What friends don't do? Suddenly start fantasizing about each other in their underwear. Or out of it...

Since high school, Liss has kept her raging crush in check. Another few weeks should be a breeze. But helping Connor rebuild his life only reinforces how much she longs to be a part of it. One explosive encounter, and she'll discover that getting what you always wanted can feel better than you ever dreamed...

## **Bad News Cowboy**

Kate Garrett keeps life simple—work hard and ride horses. Lately she feels a bit restless, especially when Jack Monaghan is around. Sexy and shameless, Jack is the kind of trouble you don't tangle with unless you want your heart broken. Still, Kate could always use his help in learning how to lasso someone a little less high-risk...

Jack can't pinpoint the moment the Garrett brothers' little sister suddenly stopped seeming so...little. Now here he is, giving flirting tips to the one woman who needs zero help turning him on. Love's a game he's never wanted to play. But he'll have to hurry up and learn how before the best thing that ever entered his life rides right back out again...
